

Arise and Shine Confession

I arise and shine.
I arise in the light of God.
I do not walk in darkness.
I do not walk in confusion.
I walk in the light of God's wisdom.
I walk in the light of divine revelation.
I walk in divine illumination and insight.
I do not miss the mark.
My path is straight and smooth before me.
My purpose and destiny are clear before me.
My assignment is clear before me.
The light of God shows me the way.
The light of God clarifies my path.
By the light of God, I know what to do and how to do it.
By the light of God, I know when to do it and with whom to do it.
By the light of God, I do impossible.
By the light of God, I break every through limitation.
From today onwards, the glory of God is evident on me.
From today onwards, the wisdom of God is clear to me.
From today onwards, divine speed is my portion.
In Jesus' name. Amen.
